FIX DATE FOR BOND ELECTION

Fate of Public Improvements to be Decided by Voters on February 15th.

DEMAND IMPROVED SIDEWALKS

Council Gives Orders for Extensive Construction of Modern Sidewalks and Curbing.

At the meeting of the City Council Monday evening, at which all of the Trustees were present, Tuesday, February 15th, was selected as the date for the submission to the people of this city the determination of the advisability of pledging the credit of the city for needed public improvements. On that date the voters are to be asked to sanction the issuance of bonds to the amount of $42,500. Of this sum, the building of a new town hall will require $15000; a like sum is to be used to defray the cost of the extension of Phelps street, and $12,500 is to be expended in the establishment of a permanent storm water drainage system. While the ordinance providing for this was given but its introductory reading on Monday evening, it will undoubtedly be finally adopted at the next meeting, as the matter has been careful consideration by the Trustees and the plan meets with the unanimous approval of the Board.

The first business to be taken up after the reading and approval of the minutes was the opening of bids for the laying of a considerable quantity of four-inch water mains, which developed a surprising variance in the estimates of the cost of this class of work. A. Hess, the local contractor, presented a bid of 14 3-4 cents per foot for the work complete, while the Warren Improvement Co., which had a representative present in hopes of securing the job, put in an estimate of 29 cents. Of course Hess got the contract.

A petion was presented from a number of property owners in the Wooster, Whitton & Montgomery tract asking that steps be taken to confirm a vacation of a number of streets made by the Supervisors several years ago. The request was referred to Citty Attorney Mansfield for investigation.

In a communication, R. C. Holmquist called attention to the fact that the curbing in front of his property on Walunt street, although placed as directed by the city's engineer, was far out of its proper allignment, and asked that the Council provide some relief. Discussion made it apparent that the error was due to no fault or neglect of Mr. Holmquist and the Street Superintendent was instructed to make such changes as were necessary at the expense of the city.

The discussion of this matter reopened the old question of the general need of curb and sidewalk improvement and elicited from Trustee Hynding the suggestion that concrete curbs and walks should be completed over the entire section east of the railroad and north of Broadway, which met with a hearty second from Chairman Merrill. After some general discussion the street superintendent was instructed to notify property owners to make the suggested improvements on the following streets: North side of Fuller, from Easton to town limits; south side of Fuller, from East Fuller to Hamilton; Hamilton, from Fuller to East Fuller; Eas Fuller; Broadway, from Couuty Road to the railroad; County Road, from Broadway to Brewster; Arguello, from Broadway to Brewster; Chestnut, from Heller to Mound.

On the recommendation of street superentendent Dickey an allowance of $1000 was made to A. Hess ar part payment on his contract for the laying of the mains to connect with the new reservoir.

Ordinance No. 85, the ordinance regulating the speed of automobiles, was given its final reading and adopted. This ordinance limits the speed of the machines to 15 miles an hour in any part of the city except on Main, Mound and Broadway, where the rate is reduced to 10 miles.

The ordinance providing for the bond election was presented by City Attorney Mansfield and given its introductory reading. The total amount of the proposed indebtedness is $42,500, of which $15,000 is for a town hall, $15,000 for the extention of Phelps street, and $12,500 for the storm drainage system. In order to comply with the law, the drainage proposal is diveded into two items, thus making four proposals to be placed on the ballot. The proposed bonds are to be of the 40-year serial character, bearing 5 per cent interest. The date fixed for the election is Tuesday, February 15th.

In order taat some one might be in the office at all times during the time for the payment of Dingee Park street assessment, Marshal Christ was given authority to hire necessary clerical assistance.

The street superintendent was instructed to require more thorough work in the sweeping of the streets.

Hunting for Fortune.

Clerk Nash is in receipt of the following interesting letter from Russia:

14 Heustrasse, Haus Markuse. Libau, Russia, 15th December, 1909.

The County Clerk of San Mateo, Redwood, California—Sir: By the Russian papers of the 23d July, 1908, there is published the following: "In California, America, died recently a wealthy man, Rutkowski, whose estate has been estimated at 65,000,000 roubles. Since the deceased has left no heirs in his new country, the American court is inquiring after his relatives in his native country, Russia."

Taking in consideration that a relative of my wife (born Rutkowski) immigrated to California about 1860; and, as far as I know, has been very good up, I think him to be the person published, but being too poor to make personal inquiries, and as the advertisement does not mention the name of the county in which said party died, I would be much obliged if you will kindly write me whether the estate of Rutkowski is not in your county or city.

Should this matter have a favorable result I will endeavor to express my gratitude in deeds. Thanking you in anticipation, I remain, sir,

Yours faithfully,
LOUIS SPHULTZ.

Mr. Nash is making a strenuous effort to locate the millions referred to.

Teachers Given Certificates.

As a result of the recent teachers' examination, the County Board of Education last week issued grammar grade certificates to the following young ladies: Misses Inez F. Nehl, Catherine Nutall, Edwena Coupe and Anita L. Cooley of Marysville; Bertha M. Piske of San Bruno; Gracia M. O'Bryan of San Francisco, and Mary A. Conley of Livermore. Special high school certificates were issued to B. E. Myers of Redwood and Miss Clara Berg of San Mateo. Four of the applicants failed.

District Attorney Bullock was relieved of a valuable gold watch at Oakland New Year's Eve, during the crush attending the celebration. The watch was not only of considerable worth but was valued as a keepsake. It has not been recovered.

Another proof, more evidence, Redwood City testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation:

John F. Benedict, 204 Heller street, Redwood City, Cal., says: "My back was so lame that I could scarcely get up or down and there were sharp pains over my kidneys. Often I suffered so severely that it was almost impossible for me to move. The kidney secretions were unnatural and passed so frequently that I was unable to rest well. Having Doan's Kidney Pills recommended to me, I began their use and they proved to be the best kidney medicine I had ever tried. During the past eight or ten years, I have had no serious trouble from my kidneys, thanks to Doan's Kidney Pills. Whenever I take them, they benefit me."

STORM CAUSES A SHIPWRECK

Schooner Manned by Local Crew Meets With Serious Disaster on Lower Bay.

Beginning with December 21st, 1867, this section witnessed another severe wind and rain storm, which continued almost without interruption for a week. Especially was the wind severe, and this did considerable damage to property and cause some loss of life, resulting in the wrecking of a sloop which made this town her home port with ths loss of her crew of four. Several buildings were blown from their fonndations and fences and fences leveled. The stages to the coast met with considerable difficulty in making their trips, mainly caused by fallen trees obstructin the roads. The sloop which met with serious disaster was the C. E. Long, which left San Francisco on Monday morning while the storm had partially calmed, having as her crew Captain David Jenkins, he owner, his son George, aged 18 years, Charles Boyd and Fred Littlejohn, a youth of 17. A strong southerly wind had been blowing on the bay during the day, and towards evening this increased to a gale. The last seen of the Long was about 4 o'clock in the evening, when she was sighted by the skipper of the sloop Young America. At that time the illfated boat was nearly opposite this city and was making long reaches in her endeavor to beat up against the wind. This was the last seen of the vessel with her crew alive. The next morning a vessel was seen on her beam ends drifting on the bay, and as the Long had not arrived here it was at once suspected that the capsized vessel was the illfated sloop. About noon of Tuesday the sloop Roman, with Sheriff Lathrop and a party of friends on board, started out in search of the wreck. The overturned vessel was found dnring the afternoon but it was evident that there was no one alive on board, and as the bay wae rough no attempt could be made to right the sloop or to investigate he condition. On Teursday the capsized vessel was picked up opposite San Mateo and towed to the shell banks, where she was righted. None of those who had left San Francisco could be found, and it was determined that all had been lost. When found the vessel had all her sails set and lay with mast and sails flat upon the water, and it was conjectured that she had been capsized while tacking on the opposite side of the bay. At this time nothing could be discovered of the bodies although searching parties dilligently scoured both shores of the bay for the following two weeks, nor were either f them discovered for nearly two month . On the 10th of February the remai s of Captain Jenkins were found by a l nter on the marsh near San Mateo a l brought to this city for interment The funeral services were held from the Congregational Church and were attended by the members of Bay View Lodge, I. O. O. F., of which the deceased had been an active and prominent member. About the same time the remains of Fred Littlejohn were found and also brought to this city and interred in the Union Cemetery.

On the 1st of February, 1868, Kuck Brothers aunounced the opening of a new general merchandise store located near the depot at Menlo Park. The new concern dealt in merchandise of every character, including dry goods for the women and wet goods for the men

In these early days this county was evidently a paradise for the sportsman, as not only were ducks and geese to be found in extremely large numbers on the marshes but the streams in the hills were filled with speckled beauties of Not only were the trout abundant, but they sometimes reached rather extraoadinary size, as is evidenced by a story related on the authority of William Laswell, a prominent resident of Woodside, which states that in the early part of February George Carter, as the result of a day's fishing in the San Gregorio Creek, landed among a basket of good sized fish one that weighed 10 1-2 pounds, and that on another occasion he captured one that tipped the scales at 8 1-2 pounds. At the same time it was stated that it was anything but a rare circumstance for anglers to exhibit fish in their baskets weighing as much as from 6 to 8 pounds each.

D. E. O'KEEFE, Editor and Proprietor

Let us pull together to make this a banner year for Redwood City. Certainly opportunities for commercial and industrial expansion were never more abundant, and all that is required is united and systematic effort to make this the most thriving and prosperous city between San Francisco and San Jose.

The Halfmoon Bay Review has recognized the growing importance of the El Granada section and has commenced the regular publication of an edition devoted especially to the interests of that locality, thus in reality giving the patrons of the Review the advantage of two publications of that paper each week. This certainly shows enterprise on the part of editor Griffith.

Push Improvement Along.

Within the coming six weeks the people of Redwood City will be called upon to decide whether we shall take our place among the progressive municipalities of the State or become a laggard in the march of civic improvement. If we would keep abreast of the times public improvements should not be longer delayed. It is absolutely necessary that without further delay we should provide a suitable building in which the business of the city may be transacted. Those who have suffered from the inconveniences of Winter floods will also admit that it is important that some permanent means for the care of the water of the Winter rains should be provided. Good business policy would also suggest that there should be no further delay in the extension of Phelps street. Within a very short time business expansion will make this an absolute necessity, and the longer the work is delayed the greater will be the expense of acquiring the required property.

To accomplish these necessary improvements at the least possible hardship to the taxpayer, the most reasonable plan is the issuance of bonds. By this means those who in the future will derive much of the benefit of these improvement will be called upon to pay their share of the cost.

The amount asked by the Trustees for these three important projects is a very small one, and should be granted without a dissenting voice. No one will question that if granted the money will be wisely and economically expended, and that in the long run the city will be immeasurably the gainer by the investment.

Will Make Many Improvements.

A deed to the Mary Lee property near the depot was filed Wednesday. The property was recently sold at a probate sale and confirmed by the Superior Court to Patrick Foley and James McEldowney for $12,500. The new owners intend to make extensive improvements a t once. The portion of the building occupied by the restaurant is to be enlarged. The upper story will be refitted as a first class hotel.

The report of the auditor as to the monthly allowance of the Third road district was pronounced erroneous and was referred back by the chairman for correction.

The following liquor dealers whose applications were read at a previous meeting were granted licenses:

First Township—John E. Rogers, Colma; P. K. Pappas, Hillcrest; I. Poket, Hillcrest; Joseph Millett, Colma; Thad Huber, Ocean View; John Gillan, Colma; George M. Collopy, Colma; Jas. T. Casey, Colma; Cali Bros., Crocker tract (Class B).

Second Township—Christian Stader, Beresford.

Third Township—Cavalli Bros., La Honda; O. A. Daves, Portola.

Fourth Township—William Debenedetti, Halfmoon Bay; Charles S. Morgan, El Granada (Class C).

Fifth Township—R. Cory, Pescadero; McCormick & Son, Pescadero.

The following applications for licenses were read and will be acted on at the first meeting in Ferbuary.

First Township—Mrs. Celia Bracken, Vista Grande; J. A. Gillan, Colma; D. McSweeney, South San Francisco; Otto Berlinger, San Bruno; Bernard Ward, San Bruno; Henry Bauer, Colma.

Second Township—San Mateo Hotel Company, San Mateo; H. C. Caldwell, Belmont; P. I. Archibald, Belmont.

Fifth Township—E. J. Montevaldo, San Grehorio.

The application of J. C. Amarada for a liquor license to do business at Pescadero caused a lively squabble. Blackburn moved to reject the application on the ground that the applicant was not capable of running a saloon. Joseph Debenedetti addressed the board on behalf of Amarada saying that he ought to be given a hearing. He claimed that he was a fit and proper person to conduct a saloon. Casey seconded the motion and on a roll call Frances refused to vote but when compelled to do so by the Chairman the vote stood two for and two against. The matter was taken up in the afternoon and it went over for one month, when all persons wishing to oppose the application may do so.

On motion of Casey all applications for saloon licenses in Hillcrest, Crocker Tract, Mission Tract and Vista Grande were rejected This was done in accordance with a petition signed by the residents of these districts and accepted at the last meeting. The petition asked that no more licenses be issued in that community and the board desired to conform to said request.

James T. O'Keefe appeared for Geo. K. Panagiotaros whose petition to do business at Hillcrest was filed last August. O'Keefe said that in as much as the application was filed before the petition he thought it should have precedence. The application, however was rejected.

Geo. A. Kertell, foreman of the Grand Jury, called attention to the fact that Maud E. Earle nad transfered her license to one M. M. Mill left without consent of the board contrary to the liquor ordinance. He also directed attention to the disorderly conduct of the place. The saloon is conducted on the county line. He thought the place ought to be closed. Mrs. Earle being notified by the clerk to be present failed to show up and further action on the matter went over until the after noon when E. F. Fitzpatrick appeared on benalf of Mrs. Earle and asked that the matter go over until the next meeting which request the board granted.

The following applications were received for aid from the Indigent fund:

Mary Mattli of the First township, on behalf of her five half orphan children; Kate Brown of Redwood City, on behalf of her five half orphan children; Louise George of Pescadero on behalf of one child, all of which were granted.

A communication was received from Enrico Biggio, notifying the board that he had withdrawn as surety on the bond of J. J. Welch, poundmaster of the First township.

The notification was accepted on motion of Francis and the clerk was directed to notify Welch to secure a new bondsman.

Casey presented two estimates by Charles M. Johnson for rebuilding the road around San Pedro mountain, one of which following the line of the old road was for $1800, and the other describing a new route, would cost $2400.00.

The matter having been left in Casey's hands at the last meeting with power to act, he was directed to consult the county surveyor as to the best route to be taken, and to complete the work to his judgment.

Chairman P. E. McEvoy called the board's attention to the violation of the Courthouse contract by the O'Brien Construction Company they having not followed the plans and specifications in putting in pilasters instead of columns in the rotunda to

support the dome. The board agreed to investigate the work during the noon hour.

The roster of the prisoners presented by the shriff was laid over for two weeks for correction

The auditor's report was also deferred for two weeks for correction.

Casey was authorized to secure the surveyor to make measurements of certain roadways and sidewalks in Hillcrest.

J. M. Rowell was granted permission to excavate the county road near Belmont to lay water mains.

The communication of Henry M. Owens was referred to Casey.

District Attorney Bullock advised the board that he was preparing an automobile ordinance that would have a uniform speed limit clause At the suggestion of Coleman he was authorized to incorporate in same that half of the fine money be paid the informant. The ordinance will be adopted at the next meeting.

A communication was received from John W. Rogers, superintendent of census, asking that the board co-operate with the county surveyor and supply maps and such other information as will aid in the correct taking to the census. The matter was referred to the Surveyor to report at the next meeting.

Francis reported that Crowley, whose saloon at Granada was complained of at the last meeting, was conducting his place in a more orderly manner. The report was accepted on motion of Blackburn, seconded by Casey.

A petition signed by George K. Knowles and others of Vista Grande was presented asking that the name of Merced avenue be changed to Knowles avenue, there being at present two thoroughfares at that place known as Merced avenue. The desired change was made by resolution offered by Casey and adopted on his motion, seconded by Blackburn.

A communication was received from The first National Bank of Redwood City asking for a portion of insurance on the new courthouse. The communication was accepted and filed for future use.

A map of the Colma lighting district was accepted and the clerk instructed to advertise for bids for installing a lighting district.

Clerk Nash reported that he had examined his records and found no minute entry wherein Architect Allen had been directed to prepare drawings showing the proposed raising of the courthouse dome. He had. however, been directed to draft specifications and estimates of the cost of the work. The report was accepted on order of the chairman.

McEvoy stated that it was evident that the courthouse plans had been altered by the contractors without authority when they changed the columns in the rotunda to pilasters.

O'Brien stated that a change had been made in the plans in May last and that he was working under instructions from the architect. He said such change only strengthened the building. The chairman wanted to know what members represented the people and who represented the contractors. This brought Coleman and Blackburn to their feet with an objection to the remarks. After much warm discussion the resolution or c hange in contract referred to by O'Brien was produced and it was shown that they were incorporated in the minutes and here the matter was dropped.

Bids for furnishing the county farm and hospital with supplies for the year were received as follows:

Groceries—Neuman Bros. $1537.03; Levy Bros., $1526.30.

The recent robberies occuring in this town call for some rigid action on the part of the citizens that the offenders may be driven from the community and that business men may feel some sense of safety. The frequency of these thefts plainly demonstrate that the culprits are "home talent" and not professional thieves. The robbing of Barney Burke's saloon last Wednesday evening is the work of some hanger on. Mr. Burke went to supper at 6 o'clock and when he returned he found his back door pried open and the contents of his till gone.The amount taken was between $60 and $70. The officers have a young man under suspicion and an arrest may be made today. The same place was pilfered only a week ago. Chas. Morrison, a local painter, has been arr-ested for the robbery of Fred Seale's place last week. He has heretofore borne a good reputation. He is only held on suspicion and there is practically no evidence against him.

A street car conductor at Palo Alto was held up Wednesday evening at the end of the car line and made to give up what he had taken in during the day. The sum secured wa $10 The Palo Alto officers are busy trying to get a clue but thus far have been unable to secure a line on the guilty parties. It was currently rumored in town last evening that a College Town officer was held up near the San Francisquito Creek bridge and relieved of $56. It was also rumored that said officer had a "peach of a jag."

SALOON MEN SUE OUT WRIT

Menlo Park License Controversy On Way to Supreme Court.

Justice James Hannon Tuesday found Barney Burke, a Menlo Park saloonkeeper, guilty of violating a state law prohibiting the sale of liquor within a mile and a half of the Stanford campus and sentenced him to forty-eight hours in the county jail.

James T. Lanagan, attorney for the saloonmen, immediately petitioned Superior Judge Buck for a writ of habeas corpus. The writ was granted and made returnable on January 14th. This will keep Burke from serving his sentence up to this time. In fact, there has been no intention to single out any one of the Menlo Park saloonkeepers for punishment, it having been agreed to have a trial without a jury in order to secure a conviction, as this was the only way an appeal could be taken.

It is the intention of the attorneys for Burke to appeal to the superior court on questions of fact and law. On the writ of habeas corpus the constitutionality of the law will be tested. Attorneys Ross & Ross of Redwood City, representing the university and the Fair Oaks clubmen who are trying to enforce the new law, are conducting the prosecution of the liquor cases.

Timothy Hopkins, president of the board of trustees of Stanford university and Judge S. F. Lieb, former president of the institution, were present at the trial of Burke.

A NOTED SINGER ENTERTAINS

Members of Womens Club Treated to an Hour of Illustrated Song.

Notwithstanding the forbidding prospect of a damp and chilly day, the New Years reception of the Redwood City Womans Club brought out a large attendance of members and their guests Thursday afternoon. For the occasion the club rooms in the Odd Fellows Hall had been transformed into a veritable bower of beauty for the occasion by the artistic arrangement of dainty decorations. Quantities of red berries had been used for this purpose, intertwined with slender boughs of the pepper. Members of the reception committee were assiduous in their attentions to visitors and all were made to feel free to enjoy the afternoon's exercises to their full est extent.

The meeting was opened by Mrs. C. E. Cumberson, who in well chosen and appropriate words extended the greeting of the season to the company and bade welcome to the guests of the club. As this was designed solely as a social afternoon, business was dispensed with and the afternoon devoted to the enjoyment of the excellent program that had been prepared.

The members were fortunae in having as their special guest for the day Madame Tojeti, president of the Laurel Hall Club, of San Francisco, a professional singer of considerable note. Madame Tojetti entertained the Club with an hour of illustrated song. In addition to her vocal accomplishments this lady is a graceful and pleasing speaker and added much to the interest of her entertainment by a pleasing introductory to each of her numbers. This part of the program was opened with a Gypsy Lullaby, followed by selections from the opera of Mignon. Next came a choice selection of Gray's, entitled "The Swan Song" considered by Mme. Tajetti as the gem of modern songs. This was followed by a Spring Song, by Gounod. The fifth number was entitled "The Bowl of Roses," by Clark. The sixth and seventh numbers were A Reverie andALove Song, these being followed by one of Schuman's songs, A Young Girl's Love Dream. The closing number was one composed by Mrs. Beach, the greatest ofAmerican women composers, the words being the famous lyric of Robert Browning. In addition to the program presented by Mme. Tojetti, the members were pleasantly entertained with selections on the piano by Mrs. Isabelle Folsom and Mrs. Emily Hess. Thus was concluded an afternoon of rare musical entertainment, one which was keenly enjoyed by all present.

Asks For New Trial.

E. W. McLellan through his attorney has given notice that he will ask for a new trial in the case of S. I. Allard and others against E. W. McLellan. The action was for damages brought by plaintiffs for $15000 for a breach of contract. A verdict for $12,500 was secured a short time ago and now defendant will ask for a new trial. The grounds for a new trial are:—Excessive damages, appearing to be given under influence of passion or prejudice, insufficiency of the evidence to justify the verdict, the verdict is against law, error of law occurring during the trial. McLellan built the levys for the reclamation district between Belmont and San Mateo and failed to keep them in repair for one year and by such failure the plaintiffs are alleged to suffer loss to the extent of $15,000.

Sierra and San Francisco Power Company, a corporation, plaintiff, vs. Joseph Henry Poett Howard and Edgar W. McLellan, defendants.—No. 3554.

SUMMONS.

The People of the State of California Send Greeting to Joseph Henry Poett Howard and Edgar W. McLellan, defendants:

You are hereby required to appear in a special proceeding brought against you by the above named plaintiff, entitled in the Superior Court of the State of California in and for the County of San Mateo, and to answer the complaint filed therein, within ten days exclusive of the day of service after the service on you of this summons, if served within this county, or if served elsewhere, within thirty days.

And you are hereby notified that if you fail to appear and answer as aforesaid, the plaintiff will take judgment against you for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Said action is brought to obtain a decree of condemnation pursuant to the provisions of Title Seven (7) Part Three (3) of the Code of Civil Procedure of the State of California. The names of the parties to such proceeding are as stated in the title to this summons.

The general description of the whole property as to which a decree of condemnation is asked is as follows:

A right of way for the purposes hereinafter stated, over the following described lands, viz:

Those certain pieces, parcels or tracts of land situate in said county of San Mateo, State of California, described as follows:
